19th June 2023

Dear Parent / Carer,

Swimming Lessons Oak Class: Water Safety

This year, Drowning Prevention Week will aim to increase knowledge and understanding of the Water Safety Code. We will be delivering the key messages in school and in addition to this the children in Oak class will take part in water safety lessons at the swimming pool on Thursday 22nd June and Thursday 29th June. **For these two dates your child will need to bring shorts and t-shirt that they can wear in the water (on top of their swimming shorts/costume).**

The correct swimming kit is as follows: short swimming shorts for boys and a one-piece bathing costume for girls; your child will need a swimming cap which are available to buy from the office at £2.00. Please make payment to the school bank account referencing Swim cap.

All items should be clearly labelled (including towel) and be in a plastic/drawstring bag. No jewellery should be worn in the swimming pool. Children with asthma should take their named inhalers onto the poolside.

Please can you ensure that your child is aware that the swimming pool can be a potentially dangerous area and the importance of adhering to all pool and school rules. If you have any queries or concerns about your child's swimming lessons please contact me and I will try and help you the best I can. I hope your child enjoys the swimming experience and benefits from learning this essential life-skill.

Yours sincerely

S Joyce
