VISIT TO LOW BARNES NATURE RESERVE- WEDNESDAY 29TH MARCH 2023

Dear Parent/Carer

On **Wednesday 29th March 2023** we are hoping to take Chestnut Class to Low Barns Nature Reserve to do some plant and minibeast field work. We have arranged a great workshop for the day which will include pond dipping, minibeast hunting and a woodland trail around the reserve looking at the natural environment.

Please be aware that as the weather has been unpredictable lately and at times very cold, children will need to have a warm coat as well as a hat and gloves to make sure they stay warm during their visit. They will also need suitable footwear such as wellies to ensure their feet stay warm and dry.

The bus will leave school at 9.45am and return at 2.30pm ensuring we are back to school in time for usual pick up.

Your child should wear their school uniform however, comfortable trousers like joggers can be worn if preferred. They will need to either bring or order a school packed lunch.

Due to the high cost of transport currently, school is subsidising some of the trip from funds raised by our sponsored walk. However, we are asking for **£15.00** to cover the remaining cost of the trip.

If you could please **make payment via Arbor by Wednesday 22nd March 2023.**

Please can you sign and return the permission slip attached by **Wednesday 22nd March 2023.**

Yours sincerely

Mrs V Round
